Dear Sports Fan and Supporter,

We hope this letter finds you well. At the OASO (Oklahoma Association of Sports Officials) we are driven by a profound commitment to nurturing the potential of our youth, recognizing the responsibility to pave the way for the next generation. As you are likely aware, the shortage of sports officials in this area and the United States as a whole, has reached a critical level. In response, the OASO, a non-profit 501c3 organization, was established with a clear mission: to recruit, educate, equip, assign, and retain sports officials in Northeastern Oklahoma and its surrounding areas.

Our mission is simple yet impactful: to enhance the landscape of American intercollegiate and interscholastic sports by cultivating a craft with skilled and principled officials. We believe in upholding the highest standards of integrity, fostering fairness, sportsmanship, cooperation, and mutual understanding among all stakeholders in sports, including officials, athletes, coaches, athletic directors, and the media. Our focus particularly lies in nurturing these values within youth and secondary education sports officials.

It is with great excitement that we announce our inaugural OASO Charity Golf Tournament, a fundraising endeavor poised to primarily benefit new officials by furnishing them with uniforms and alleviating financial burdens such as registration and camp fees during their formative years in officiating. This tournament marks the beginning of an annual tradition; one that we envision as a cornerstone of our fundraising efforts.

As a prominent leader in our community, we extend to you an invitation to join us in championing the future of sports officiating and the continuation of sporting events for our youth, by becoming a sponsor of this event.

The OASO Charity Golf Tournament is scheduled to take place at the esteemed Battle Creek Golf Course in Broken Arrow, OK, on Friday, July 12th, 2024. Registration and sponsorship opportunities are available now.

Sponsorship Opportunities:

Your sponsorship not only affords you the opportunity to elevate your brand and showcase your company's offerings to a diverse audience, but also serves as a tangible demonstration of your commitment to supporting the development of new officials in order to sustain the sporting events that so many of our young people enjoy today.

We offer a range of sponsorship tiers to suit your philanthropic vision (Donations are tax deductible as we are a 501c3 Not for Profit Corporation):
